### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly teach the specific circuit configuration as recited in the independent claims with emphasis on the termination section comprising a capacitor connected to the resistor and the termination section connected to the first output and the pie shaped impedance matching section connected to the second output and having a plurality of pie shaped impedance matching section outputs, said pie shaped impedance matching section outputs having substantially equal phase when connected to a predetermined load impedance .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kimberly E. Glenn whose telephone number is (571)-272-1761. The examiner can normally be reached on Monday-Friday 7:30 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Pascal can be reached on (571)-272-1769. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
